

One week can change everything. Learn to love like Jesus.

Toronto is Canada's largest, most diverse city, where 50% of residents are immigrants, and is home to over 500,000 Muslims.

Enjoy fellowship with a missions team committed to outreach.

Gain an understanding of Islam, Hinduism, Buddhism, and Secular Humanism; learn to share the gospel with people of these faiths.

Visit a Muslim mosque, Hindu and Buddhist temples, and a Catholic church to learn more about their faith practices.
